Joe-

As items 8A. and 8B. were not discussed during the conference call, Montgomery Archaeological would like to amend point 8A. to read, "Note: MOAC will address the agency comments for the CRMP and TP. These comments will be directly address or incorporated into the CRMP, TP, or a letter providing justification. Comments addressed in a letter, and not in the CRMP or TP, will be those determined to be: a) unreasonable or immoderate, b) inappropriate to the scope of the research, c) unwarranted, or d) inappropriately obstructive to the proponent's undertaking or the consultants mitigation."

The rest of the notes appear as discuss.

Regards,

Jody Patterson and Patricia Stavish
